

Steering Committee

What the Committee Does

The Steering Committee is a formal committee at NRCSA. They collaborate on a monthly basis to exchange ideas about the latest programs that we offer. The committee helps make important decisions about what we offer to our students and what the focus of NRCSA marketing, advertising, and programming is. In this role, you significantly contribute to the heart of the NRCSA study experience.

Who Makes up the Committee

This committee is comprised of dedicated alumni who know NRCSA, are passionate about the mission of intercultural exchange, and are willing to share their opinion on studying abroad.

Who You Will Work With

The Steering Committee meets with and works with various NRCSA project coordinators and NRCSA staff members. We value what you have to say and members of the Steering Committee have direct communication with decision-making bodies at NRCSA.

Why Join?

As a member of the prestigious Steering Committee, you are a part of something bigger at NRCSA. Beyond being an excellent leadership opportunity, it is a way to influence a cause you are already passionate about.
