FULL PROGRAM DESCRIPTION

STUDY PROGRAM

The study portion of the program includes 20 hours per week of Group Spanish classes with a 1 week minimum. Maximum number of students per class is 5, with the average being 2 students. Groups are organized in a way that each will always consist of students possessing the same level of Spanish.

All of our teachers are native speakers with university educations and are very experienced teaching Spanish to foreigners. Most have learned a second language themselves and understand the student's perspective.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class. Classes are 45 minutes in length.

Our program is divided into 6 levels of study. The first 4 are concentrated on grammar, vocabulary, practical situations, and conversation. The next 2 levels, advanced and superior, focus mainly on conversation and advanced reading and writing topics.

FLAMENCO PROGRAM

Dance is a fundamental part of Andalucian and Hispanic culture in general. With a large and well-equipped dance studio, our center in Malaga is ideally placed to offer programs of Spanish combined with Dance.

It is a combination of our general Intensive course of 4 lessons a day of Spanish at all levels with 2 lessons per day of dance.

This program serves as an introduction to the world of Flamenco via Sevillanas, Rumbas and other typical Flamenco dance styles.

LODGING OPTIONS

HOMESTAY

For the serious student who is prepared to be flexible and wants to live a truly Spanish lifestyle during his/her stay in Malaga, staying with a host family can be the best option. Eat Spanish food (at the times that Spaniards eat), meet Spanish people and have an excellent opportunity to practice newly acquired Spanish in real-life situations. In exchange for these benefits students will have to fit in with the host family's way of life and customs and this sometimes requires a good deal of tact and flexibility.

STUDENT RESIDENCE

The school's student residence offers a range of options from fairly small singles to large executive rooms, all with en-suite facilities. Most rooms have direct-dial phones, most have balconies and the executive rooms also have double beds, fridge, bath (instead of shower) and a few nice surprises.

The 24-hour reception allows the guests to come and go as they please and receive messages. This also provides a high degree of security. There is a daily maid service and bed linen is changed once a week. As the residence is on the same site as the school, it is extremely convenient and allows students to use the swimming pool, sun terraces, bar, cinema, etc. without having to go more than 50 yards. The residence is very popular among the students and the executive rooms in particular offer an excellent alternative to the more expensive city centre hotels

PRICE RANGE

Cost of 1 week of classes, 10 Flamenco lessons, and 1 week of housing ranges from:

\$1,614 → \$1,715**

**Prices range according to housing and board options.
