CITY AND COUNTRY INFO

Montevideo the capital of Uruguay, is located on the Rio de la Plata on the southern most tip of the country's South Atlantic coast. It is a modern metropolis of a million and a half inhabitants and the city is the seat of important national and international events.

The main attractions are the ramblas (boulevards) that follow the beautiful and lengthy shoreline which are, without a doubt, one of the finest luxuries of the city. Montevideo's European influence is evident, as it stretches along avenues, boulevards and tree-lined streets on which modern buildings are being erected alongside buildings of days long past, a testimony to the different periods of the city's history.

Visitors should be sure to go to Ordonez Park to see the rose garden and the La Carreta monument. FULL PROGRAM DESCRIPTION

STUDY PROGRAM

The study portion of the program includes 20 hours per week of Group Spanish classes with a 1 week minimum. Maximum number of students per class is 5, with the average being 2 students. Groups are organized in a way that each will always consist of students possessing the same level of Spanish.

All of our teachers are native speakers with university educations and are very experienced teaching Spanish to foreigners. Most have learned a second language themselves and understand the student's perspective.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class. Classes are 45 minutes in length.

Our program is divided into 6 levels of study. The first 4 are concentrated on grammar, vocabulary, practical situations, and conversation. The next 2 levels, advanced and superior, focus mainly on conversation and advanced reading and writing topics.

TANGO PROGRAM

This special program combines Spanish classes with immersion in the world of Tango. Tango is one of the River Plate region's most famous exports and the art form is thriving in Uruguay. You will take Spanish classes with an experienced tango teacher and professional dancer, who is well-connected within the Tango community of Montevideo and Buenos Aires. She will brief you on the principles of the music and the dance, as well as on the history and culture of Tango.

You will also have the chance to enjoy live Tango music, and a spectacular Tango show. You'll normally go to Spanish classes in the mornings and go to Tango classes and excursions in the afternoons and evenings several days a week. This program includes 3 Tango classes per week (2 private and 1 group).
