CITY AND COUNTRY INFO

Cuernavaca, better known as "The City of Eternal Spring," is the capital of the state of Morelos. It stretches across a beautiful green valley and, at about 4,950 feet above sea level, enjoys a lovely average year-round temperature of 70 to 80 degrees Fahrenheit. The state is also known for being the birthplace of Emiliano Zapata, beloved hero of the Mexican Revolution. Today in Morelos, one still encounters the progressive spirit that he inspired here, making the city a center that hosts a myriad of activists, writers, musicians, and a growing environmental movement.

Cuernavaca and the surrounding area, in addition, boast impressive biodiversity, dramatic mountains, abundant and colorful vegetation, and striking examples of colonial architecture. Furthermore, the presence of indigenous peoples, primarily Nahuatl-speaking, enriches the cultural landscape and serves as testimony to Mexico's great plurality.

FULL PROGRAM DESCRIPTION

The study portion of the program includes 2 instructional hours of Spanish every weekday. Maximum number of students per class is 5. Groups are organized in a way that each will always consist of students possessing the same level of Spanish. The overall atmosphere of the classes are relaxed and enjoyable.

All of our teachers are native speakers with university educations and are very experienced teaching Spanish to foreigners. The small classes enable teachers to give individual attention to each student. The staff strives to create and maintain a comfortable atmosphere, and encourages spontaneous conversational exchange and productive social activities.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. Students of all levels are welcome to this program.

LODGING OPTIONS

HOMESTAY

Living in a homestay is an invaluable way to learn about Latin American culture on a personal level, and an important factor in mastering Spanish. Therefore, we strongly recommend that students take advantage of the opportunity to live with a Mexican family. Through daily interactions and a deepening relationship with the family members, the student will inevitably be provided with an excellent opportunity to improve his/her Spanish, while exploring firsthand the cultural context of the language, and embarking on new and enriching relationships.

Families are arranged based on the student's request, for private or shared rooms with Mexican families, in and around Cuernavaca. Three meals a day are included.

HOTELS

Students who prefer not to live with a Mexican family can receive further information on hotels, but should expect to make their own reservations and arrangements.
