The city mixes together modern conveniences with ancient historical and cultural treasures. Rome is one of the most beautiful cities in the world and features more than 2,600 years of European history and culture. The city unites the splendor of its unique artistic, archaeological, and environmental heritage. At the same time Rome is both a bustling city offering a continuous assortment of urban activities, it is a city where you can relax outside at a cafe in front of breathtaking ancient ruins.

The particularly mild climate makes it possible to visit and enjoy Rome at any time of the year. FULL PROGRAM DESCRIPTION

STUDY PROGRAM

The study portion of the program includes 20 Italian group lessons per week with a 2 week minimum. Groups are organized in a way that each will always consist of students possessing the same level of Italian.

All of our teachers are native speakers with university educations and are very experienced teaching Italian to foreigners. Most have learned a second language themselves and understand the student's perspective.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class. Classes are 45 minutes in length.

MATURE ADULT PROGRAM

This course is designed to provide individuals with the opportunity to study the Italian language and experience the culture of Rome. There are significant benefits to studying in a program that is designed specifically to fit the skill level and interests of the more mature age group.

You might be working alongside other individuals with a range of life-experiences that you can relate to, perhaps having already finished their professional career, maybe still working, or getting out for their first, or fiftieth, time abroad. It is not too late to have a cultural immersion that deeply resonates with you and all of your valuable previous life experience.

LODGING OPTIONS

HOMESTAY

Single or double room, with breakfast, or half board options available. Most of the host families have worked with us for many years. The families know from experience what the role of a host is. Living with a host family offers you the opportunity to become integrated quickly into the Italian society. Nowhere else will you so directly experience real Italian life. The word 'family' should not be taken too literally, because your family could also be a single parent or a childless couple who take in students because they enjoy the company. You can choose between a room with breakfast or half-board (breakfast and dinner).

SHARED APARTMENT

Participants live with local residents (rarely families with children, more likely young couples or people living alone). The kitchen and bathroom are shared with the others in the apartment. Breakfast or half-board service is available on request. We recommend reserving the rooms as far in advance as possible. In both types of shared apartments, you can reserve a single or double room in two-week blocks, specifically from the Sunday before the course begins to the Saturday immediately following the end of the course. Room includes gas, electricity and sheets. Towels are not provided.

UPSCALE APARTMENT

Single room, shared use of kitchen, bathroom and shower, living room and other common areas. Our shared extra comfort apartments are of various sizes, each one offering a welcoming and functional atmosphere. Residents share bathroom and kitchen. The linens are changed weekly and the common areas are cleaned on a weekly basis as well. Each room has a safe.

PRICE RANGE

Cost of 2 weeks of classes, housing, and cultural activities from:

\$1,873 → \$2,099**

**Prices range according to housing and board options.
