

EXECUTIVE PROGRAM BENALMADENA, SPAIN PROGRAMS START EVERY MONDAY

PROGRAM DESCRIPTION

This Executive Language program gives participants the opportunity to learn Spanish with native business practices, ethics, dialog, and mannerisms. The goal of this unique program is to deliver the knowledge and experience so participants can gain a competitive advantage in the international business world. In addition to learning in the classroom, participants will be exposed to local and regional businesses, and will discover how business is conducted first-hand.

CITY AND COUNTRY INFO

Lying on the south end of the Iberian Peninsula, bathed by the waters of the Mediterranean and with mountains rising steeply behind the town, the Costa del Sol offers a cosmopolitan atmosphere, magnificent beaches, starkly contrasting colors, simple and primitive fishing villages, luxuriant subtropical valleys, and high mountains that protect the coast from the chill of the hinterland. Benalmadena is a small town with approximately 30,000 residents. It sits at the foot of the Mijas mountain range in the Malaga province.

Originally a sleepy Andalucian fishing village with beautiful white washed houses, Benalmadena has developed into a small but lively town which retains its old charm and character. The town is small enough to provide a peaceful and secure environment, while large enough to offer good shops, restaurants, an open-air cinema, etc. The town is full of cultural richness and is close in proximity to other fascinating cities including Granada, with its Alhambra, surely one of the great wonders of the world, dated 1238; Cordoba, the center of Andalucian culture; and Sevilla, with its monumental cathedrals and churches.

HIGHLIGHTS OF PROGRAM
