CITY AND COUNTRY INFO

The second smallest country in the world at less than a square mile in area, Monaco is situated in the glitzy French Riviera on the coast of the Mediterranean. Though tiny in size, Monaco does everything else big: it boasts the world's highest GDP per capita (\$151,000), the world's highest life expectancy (almost 90 years), and the lowest unemployment rate (0%). Bordered completely by France, Monaco is a principality governed under a form of constitutional monarchy officially recognized in 1861.

Monte Carlo is one of the 10 districts in Monaco, with about 3,500 residents. It is widely recognized for being a playground to the rich and famous with its extravagant casinos, luxurious hotels, and a harbor full of the world's largest yachts. Monte Carlo also hosts a variety of glamorous sporting events including boxing matches and the famous Formula One Monaco Grand Prix. Monte Carlo enjoys mild, Mediterranean temperatures year-round, further adding to the allure of one of the most exclusive countries in the world.

LODGING OPTIONS

HOMESTAY

Living with a local Monacan family encourages practice of the language and enriches the cultural knowledge of the student. Daily contact with the family enables you to practice the language regularly, as well as to explore the language, customs, and way of life of the country. This great experience is an excellent complement to the courses. Friendships are often forged and many students keep in touch with their host families long after their stay has ended. Host families are carefully chosen with your interests and hobbies taken into account in order to choose the most suitable family for you. Most host families live near the school. A single room with a private bathroom and breakfast is provided.

HOTEL ACCOMMODATIONS

For students who prefer not to live with a Monacan family, Monte Carlo, Monaco, and the neighboring French areas offer many hotel options to choose from. Please keep in mind that being as luxurious as Monte Carlo is, most hotel options will be relatively expensive and should be researched well in advance of arrival. Most hotels are located near the school, and getting around in Monaco is very easy to do on foot or by taxi.
