

EXECUTIVE PROGRAM NICE, FRANCE PROGRAMS START EVERY MONDAY

PROGRAM DESCRIPTION

This Executive Language program gives participants the opportunity to learn French with native business practices, ethics, dialog, and mannerisms. The goal of this unique program is to deliver the knowledge and experience so participants can gain a competitive advantage in the international business world. In addition to learning in the classroom, participants will be exposed to local and regional businesses, and will discover how business is conducted first-hand.

CITY AND COUNTRY INFO

Located at the center of the glamorous French Riviera, Nice is situated on the pristine Mediterranean Sea and is home to a peaceful, yet dynamic atmosphere. Nice comes alive with carnivals in both summer and winter, hosting Jazz music, film festivals, and museum events. Nice boasts some of the best beaches in all of France, offering a nearly endless amount of water-based activities. The school is situated in the heart of the city just a 10 minute walk from the Promenade de Anglais, the beach, and is very close to the biggest shopping avenue served by numerous bus lines. What's more, all the cities along the French Riviera, from Monaco to Cannes, are easily reached by train in less than 30 minutes. In winter, students in Nice will find that superb skiing and snowboarding opportunities are only a short drive away.

Nice is the second-most visited city in France after Paris, receiving 4 million visitors annually. This is due to the quality beaches and abundance of art museums, but Nice is also home to a booming business and financial sector. The city has two convention centers dedicated to business tourism, and many business districts that are intermixed among the cultural sites throughout the city.

HIGHLIGHTS OF PROGRAM

After participating in the Executive Language program in Nice, participants will return with an improved comprehension of the native language, a savvy understanding of how locals conduct business operations, knowledge of cultural and societal issues, and what to expect when managing international business.

FULL PROGRAM DESCRIPTION

This program has been developed to provide for the needs of business professionals, diplomats, and for staff of non-government organizations. The structure of the course focuses on quick progress in a short amount of time, which allows for maximum efficiency at a rewarding intensity. The combination of teaching general French language classes along with specific business-purpose French, as well as the small group sizes complemented by the private lessons, will allow students to learn in the best possible environment.

This program offers classes for students beginning in French, as well as classes for advanced speakers. The program is composed of a mix of morning general French classes in mini-groups of no more than six students, and of afternoon classes that can be entirely or partly dedicated to your individual linguistic needs. This includes three afternoon classes of four students maximum and two afternoons of private lessons. There are a total of 30 45-minute classes per week in this program. The duration of this program is customizable, with a minimum enrollment length of 1 week.
