

EXECUTIVE PROGRAM PUERTO VALLARTA, MEXICO PROGRAMS START EVERY MONDAY

PROGRAM DESCRIPTION

This Executive Language program gives participants the opportunity to learn Spanish with native business practices, ethics, dialog, and mannerisms. The goal of this unique program is to deliver the knowledge and experience so participants can gain a competitive advantage in the international business world. In addition to learning in the classroom, participants will be exposed to local and regional businesses, and will discover how business is conducted first-hand.

CITY AND COUNTRY INFO

Puerto Vallarta, located in the state of Jalisco, is a veritable paradise on the Pacific coast. Tucked into a niche in the West Sierra Madre mountain range, Puerto Vallarta is one of the most popular resort cities in all of Mexico. It is a city of contrasts, where natural beauty blends with modern tourist development. Although it has luxury hotels and innumerable services for tourists, it is still pleasant to stroll down its cobbled streets and enjoy the charm of an old-style country town. It can be reached in 30 minutes from Guadalajara by plane or in four hours by car.

Unlike many resort towns, Puerto Vallarta has a very rich history. Even before it became a quiet mining and fishing village in the 1800s, the pre-Hispanic history is full of significant events, including massive skirmishes between conquistador Hernan Cortes and 20,000 native Indians. This history and the pre-Hispanic culture can still be viewed today in local landmarks, festivals, and museums. Today, Puerto Vallarta offers visitors a scenic and pristine environment that they shall not soon forget.
