

# EXECUTIVE PROGRAM REGENSBURG, GERMANY PROGRAMS START EVERY MONDAY

## **PROGRAM DESCRIPTION**

This Executive Language program gives participants the opportunity to learn German with native business practices, ethics, dialog, and mannerisms. The goal of this unique program is to deliver the knowledge and experience so participants can gain a competitive advantage in the international business world. In addition to learning in the classroom, participants will be exposed to local and regional businesses, and will discover how business is conducted first-hand.

## **CITY AND COUNTRY INFO**

Located in Bavaria about halfway between Munich and Nuremberg, Regensburg is a gorgeous German city that has been able to retain a medieval atmosphere in its streets and buildings. Of special interest in the old city is the Stone Bridge that was built in the 12th century, and the Palace of the Dukes of Thurn and Taxis. Regensburg is also home to one of the world's most famous Boys Choir. The school is located in the historic center of Regensburg, which provides easy access to the many attractions of the old city.

The best view of Regensburg's medieval skyline is from the twelfth-century Steinerne Brücke, which was the only fortified crossing along the entire length of the Danube at the time it was built, thus giving it tremendous value for the city as a trading center. Concerts and plays are held in the courtyard of the nearby Thon-Dittmer Palais, one of the main cultural venues which comes alive with activity during the summer. A few minutes' walk away, the Neupfarplatz is the center of Regensburg's commercial life.
