LIMA, PERU

PROGRAMS START EVERY MONDAY

PROGRAM DESCRIPTION

Lima is the perfect location for students to learn Spanish. It's also a great place to learn how to surf. This program provides students with both Spanish and surfing lessons for a chance to have a complete cultural experience of the language while participating in your passion. This unique program offers exciting hands-on surfing lessons, meaningful cultural immersion, and an enriching language program.

CITY AND COUNTRY INFO

Lima is a city of history and culture, endless beaches, hills and mountains, nightlife, the possibility to see Cuzco, Machu Pichu and much more! Although four hundred years have passed since its founding, Lima, known as the "City of the Kings", has managed to hold onto its traditions, fashion and religious celebrations from Pre-Inca and Inca times.

Walking through the streets and squares of the historic center of Lima is like traveling to the past. Discover Lima's colonial architecture, for which it was declared World Cultural Heritage by UNESCO. In almost all of Lima's neighborhoods, you can enjoy an exciting nightlife with many possibilities to go out: casinos, clubs, bars, pubs, folkloric parties and restaurants where you can enjoy and dance to the local music.

Lima is located in the central coast of the country, bordering the Pacific Ocean, with 7 million inhabitants. You can enjoy beautiful beaches, landscapes, parks, the central market, and the Chinese neighborhood, which are all places you must visit. You can also contemplate the architecture, enjoy the Pacific waves while surfing, savor the world famous Peruvian cooking and the warm people, so... ¡Ven a Lima!

FULL PROGRAM DESCRIPTION

STUDY PROGRAM

This program consist of 20 hours per week of Spanish lessons, minimum of 2 weeks. Participants may elect to begin studies any Monday of the year. The NRCSA School offers 12 levels of group Spanish instruction, from beginner to fluency. Each level takes 2 weeks to complete. The main goal of lessons is to improve conversational, writing, comprehension, pronunciation, and reading abilities in Spanish.

SURFING PROGRAM

The surf lessons are for all surfers! Whether you are a complete beginner or you are looking to improve your skills, we've got surf lessons for you.

Our experienced and fun teachers are more than willing to help you learn or improve your skills.

Program Includes:

- Two Group Lessons (2 hours each)
- Wet suit and surf board

LODGING

Homestay

We recommend that students take advantage of the homestay option to practice Spanish and be exposed to local culture. Middle-class families (by local standards) are carefully selected and provide each student with a private room and kitchen access. Do not assume that you are too old for a homestay as many of our students are older than their host "parents." For many of our students, their homestay is one of the most rewarding experiences they have while studying abroad.

Apartments

Our most popular housing option is the shared apartment. No meal plan is available with the shared apartments. You will, however, have access to a kitchen to prepare your own meals. Furthermore, cooperation with other students is necessary as housekeeping takes care of common areas only once per week. The student apartment is the best option for anyone who wants to combine the Spanish immersion experience with meeting new friends. All apartments are fully furnished and equipped.

You may have a private or share a room with a same-sex roommate.

PRICE RANGE

Cost of minimum 2 weeks Spanish program, surfing lessons and equipment, lodging and meals options ranges between:

\$1,038 → \$1,163**

**Cost ranges according to lodging and meals
