CITY AND COUNTRY INFO

Montevideo, the capital of Uruguay, is located on the Rio de la Plata on the southern most tip of the country's South Atlantic coast. It is a modern metropolis of a million and a half inhabitants and the city is the seat of important national and international events.

The main attractions are the ramblas (boulevards) that follow the beautiful and lengthy shoreline which are, without a doubt, one of the finest luxuries of the city. Montevideo's European influence is evident, as it stretches along avenues, boulevards and tree-lined streets on which modern buildings are being erected alongside buildings of days long past, a testimony to the different periods of the city's history.

Visitors should be sure to go to Ordonez Park to see the rose garden and the La Carreta monument. Other sites include: the Spanish fort which provides a spectacular views of the city from its hilltop location; the National Museum of Fine Arts; the Legislative Palace; the Plaza Constitucion/Independencia; Museum of Natural History; and the local beaches of Ramirez, Malvin, and Pocitos.

FULL PROGRAM DESCRIPTION

STUDY PROGRAM

The Study Program includes 20 hours per week of Group Spanish classes for a minimum of 1 week. Maximum number of students per class is 5, with the average being 2 students. Groups are organized in a way that each will always consist of students possessing the same level of Spanish. The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class.

Classes are 55 minutes in length. Students may enroll for as many weeks as desired. In order to make sufficient progress and gain the maximum benefit from the course, the following program duration ranges are recommended: Beginner (4-12 weeks), Intermediate (2-12 weeks) and advanced (2-12 weeks).

TENNIS PROGRAM

Students will have three tennis classes per week, studying Spanish in the morning and playing tennis in the afternoon. The tennis classes last one hour and are one-to-one (or if you book with a partner you can choose to have the classes together), with an experienced and qualified coach at a prestigious tennis club in Montevideo.

On the first day, you will be accompanied to the tennis class, introduced to the coach, and instructed on how to get there independently for the rest of the classes (a short bus ride). Being one-to-one coaching, this course is appropriate for all levels of tennis players, including beginners. In the case of bad weather, classes will be cancelled and, where possible, rescheduled for another day. All equipment is provided; you should wear suitable clothing.

Each host family has a shared living or dining room where you are welcome to relax, study, and chat to your hosts and their family or friends who come to visit.
