

# GERMAN & SKIING MUNICH, GERMANY

AVAILABLE JANUARY THROUGH MARCH

## **PROGRAM DESCRIPTION**

Munich is the perfect location for students to learn German and go skiing. This program provides students with both German and weekend skiing for a chance to have a complete cultural experience of the language while participating in your passion. This unique program offers exciting skiing excursions, meaningful cultural immersion, and an enriching language program.

## **CITY AND COUNTRY INFO**

Munich, Bavaria's capital (1.2 million inhabitants) at the edge of the Alps, is one of the greenest and most beautiful cities in Germany. Munich has been able to preserve its unique charm which is expressed through its beautiful architecture with buildings from several eras and the typical lifestyle of its people: a mixture of tradition and receptiveness towards modern life. It is not only an international city, it is also a cultural leader which offers an extraordinary variety of leisure attractions.

Munich is noted for its architecture and culture, and the annual Oktoberfest beer celebration is world famous. Munich's cultural scene is second to none in Germany, with the museums even considered by some to outrank Berlin in quality. Many travelers to Munich are absolutely stunned by the quality of the architecture. Although it was heavily damaged by allied bombing during World War II, many of its historic buildings have been rebuilt and the city center appears mostly as it did in the late 1800s including the famous Rathaus.
