

FRENCH FOR EDUCATORS

CANNES, FRANCE

PROGRAMS AVAILABLE DURING SUMMER

PROGRAM DESCRIPTION

Our intensive French for Educators program in Cannes, France combines the regular French immersion program with specific French and cultural training for educators. This is a great way to learn both general and specialized French. Educators at all levels benefit from this immersion experience.

CITY AND COUNTRY INFO

Cannes, the "Star of the Riviera", sits on the Côte d'Azur in southeastern France, just southwest of Nice. The city's name became official in 1619 and was inspired by the rows of cane that once grew along its seashore. Cannes has been a resort spot since Roman times, and with summer temperature highs of 80F(27C) and winter temperatures no lower than 40F(4C), the city's popularity just keeps growing.

Cannes claims 69,000 permanent residents, but that number is surpassed dramatically during any one of their many festivals celebrated through out the year. Of course, the International Film Festival, first held in September 1946, draws the rich and famous, as well as the wannabe-close-to-someone-rich-and-famous crowds, but that's not the only happening in Cannes.

HIGHLIGHTS OF PROGRAM

In this French for Educators program, students will improve their communicative ability in both speaking and listening. They will discuss different methods of teaching with the instructors and the other students in the program, review grammar and other technical aspects of the language, and broaden their understanding of the culture and region of Cannes.
