

# STUDY & VOLUNTEER PROGRAM

## BUENOS AIRES, ARGENTINA

### PROGRAMS START EVERY MONDAY

#### **PROGRAM DESCRIPTION**

This Study & Volunteer program combines a minimum 4 week Standard Group Study program followed up with a 4 week minimum volunteer placement in the community. All opportunities will work in partnership with local people in a variety of community-based projects. This unique program offers exciting hands-on volunteering opportunities, meaningful cultural immersion, and an enriching language program.

#### **CITY AND COUNTRY INFO**

Buenos Aires is a sprawling metropolis that rises from the Río Plata and stretches more than 194 square kilometers (75 square miles) to the surrounding pampas, the fertile Argentine plains. Block after block of tidy, high-rise apartment buildings interspersed with 19th century houses continue as far as the eye can see. Dozens of suburban neighborhoods, each with its own particular character and well-groomed parks, surround the downtown area.

Unlike most South American cities, whose architectural styles reveal a strong Spanish colonial influence, Buenos Aires looks more like Paris, with wide boulevards lined with palatial mansions. Flowers are sold at colorful corner kiosks, the smell of freshly baked bread fills the air around well-stocked bakeries, and cafés appear on every block.

#### **HIGHLIGHTS OF PROGRAM**

After participating in this Study & Volunteer Program in Buenos Aires, students will gain experience in foreign poverty and need first hand while helping others in severe need, greatly improve foreign language abilities, gain personal growth and confidence both nationally and internationally through service, and combine travel, academics, and community service into one incredible life-changing experience.

## **FULL PROGRAM DESCRIPTION**

### **STUDY PROGRAM**

The study portion of the program includes 20 hours per week of Group Spanish classes with a 4 week minimum prior to volunteer placement. Maximum number of students per class is 5, with the average being 2 students. Groups are organized in a way that each will always consist of students possessing the same level of Spanish.

All of our teachers are native speakers with university educations and are very experienced teaching Spanish to foreigners. Most have learned a second language themselves and understand the student's perspective.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class. Classes are 55 minutes in length. Classes are either from 9 until 1 or 2 until 6 with two short snack breaks.

Our program is divided into 6 levels of study. The first 4 are concentrated on grammar, vocabulary, practical situations, and conversation. The next 2 levels, advanced and superior, focus mainly on conversation and advanced reading and writing topics.

### **VOLUNTEER PROGRAM**

After the minimum 4 week study program, students will be placed in a volunteering position in community for a minimum of 4 weeks. Placement opportunities include the following:

- Social Services
- Health Care
- Orphanage
- Teaching
- Language Teacher (English, French and German)
- Women and Men, & Elderly
- Indigenous Community

Volunteering placements are located 15-20 minutes from the institute in Buenos Aires.

## **LODGING OPTIONS**

### **HOMESTAY**

Students staying in a homestay will be able to practice their Spanish and be exposed to local culture. Middle class families are carefully selected and provide each student with a private room. Do not assume that you are too old for a homestay as many of our students are older than their host "parents". For many of our students, their homestay is one of the most rewarding experiences.

### **RESIDENCE**

We offer accommodation in a student residence for those who enjoy contact with other students from different parts of the world and who love to live within the city center of Cuzco, at one block from the Main Square. Breakfast and lunch are included in this option. One of the residences is located within the school building. There are a total of 14 rooms with shared toilets, a common kitchen/living room and a big, sunny terrace with a view over Cuzco.

The other residence is right in front of the school building. Here you find a total of 8 rooms, most of them with private toilets, two common areas with a lovely view over the city of Cuzco (a hall and a living room), a balcony and a small patio.

## **PRICE**

Cost of minimum 4 weeks of classes, minimum of 4 weeks of volunteer placement, and minimum of 8 weeks total of housing is about:

**\$2,034\*\***

\*\*Prices range according to housing and board options.
