CITY AND COUNTRY INFO

The city of Cuzco is located in the Valley of the Huatanay River in Peru's southeastern Andes, in the province and department of Cuzco. It is located 3,360 meters above sea level. The legendary Huatanay Valley was populated by human settlements since early times and later housed the pre-Hispanic urban population of Q'osqo.

Many international tourists are drawn to Cuzco for its proximity to the famous Machu Picchu ruins and the Inca Trail. Due to the high elevation, it is cool at night and sunny but cool during the day year-round. Day temperatures ranges from high the 60s to 70s Fahrenheit. April to September is the coldest time, with high 60s during the day and 30s at night. Rainy season is from October to April.

Everyone who visits Peru inevitably comes to Cuzco, one of the most fascinating cities in the world. The city was founded around 1100 AD. According to the Inca creation myth, the sun sent his son, Manco Capac, and the Moon her daughter, Mama Occlo, to spread culture through the barbaric lands. They emerged from the waters of Lake Titicaca and began their journey in search of the place where they would found their kingdom. When they reached the site of present-day Cuzco, Manco plunged his golden staff into the ground in order to test its suitability and it sank deep into the fertile soil. This was the sign they were looking for. They named this place Cuzco, meaning "the navel of the world".

LODGING OPTIONS

HOMESTAY

Students staying in a homestay will be able to practice their Spanish and be exposed to local culture. Middle class families are carefully selected and provide each student with a private room. Do not assume that you are too old for a homestay as many of our students are older than their host "parents". For many of our students, their homestay is one of the most rewarding experiences.

RESIDENCE

We offer accommodation in a student residence for those who enjoy contact with other students from different parts of the world and who love to live within the city center of Cuzco, at one block from the Main Square. Breakfast and lunch are included in this option. One of the residences is located within the school building. There are a total of 14 rooms with shared toilets, a common kitchen/living room and a big, sunny terrace with a view over Cuzco.

The other residence is right in front of the school building. Here you find a total of 8 rooms, most of them with private toilets, two common areas with a lovely view over the city of Cuzco (a hall and a living room), a balcony and a small patio.
