The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class.

Classes are 55 minutes in length. Students may enroll for as many weeks as desired. In order to make sufficient progress and gain the maximum benefit from the course, the following program duration ranges are recommended: Beginner (4-12 weeks), Intermediate (2-12 weeks) and advanced (2-12 weeks).

LODGING OPTIONS

HOMESTAY

Students staying in a homestay will be able to practice their Spanish and be exposed to local culture. Middle class families are carefully selected and provide each student with a private room. Do not assume that you are too old for a homestay as many of our students are older than their host "parents". For many of our students, their homestay is one of the most rewarding experiences.

SHARED APARTMENTS

Our most popular housing option is the shared apartment. No meal plan is available with the shared apartments, however you will have access to a kitchen to prepare your own meals. Furthermore, cooperation with other students is necessary as housekeeping takes care of common areas only once per week.

The student apartment is the best option for anyone who wants to combine the Spanish immersion experience with meeting new friends. All apartments are fully furnished and equipped. You may have a private or shared room, with a same-sex roommate.

PRICE RANGE

Cost of minimum 4 weeks of classes, minimum of 4 weeks of volunteer placement, and minimum of 8 weeks total of housing ranges from:

\$1,985 → \$2,634**

**Prices range according to housing and board options.
