CITY AND COUNTRY INFO

Aix-en-Provence is a spa town with Roman origins and baptised "Ville d'Eau - Ville d'Art" (city of water - city of art). This picturesque city owes some of its fame to one of its children, the painter Paul Cézanne.

Over the centuries numerous artists have been charmed by the light of this city. Its narrow streets, multicolored facades, its fountains and its markets attract visitors from all over the world. Aix-en-Provence is a young and lively university city with about 30,000 students.

The natural and cultural heritage which surrounds it also offers lots to discover: the historic cities Arles, Avignon and Nîmes, the Lubéron, the gorges of the Verdon and of course the mountain Sainte-Victoire which is the pride of the "Aixois" (people from Aix), the beaches and the 'Calanques' (rocky inlets in the Mediterranean) which are 30 minutes away by car.

FULL PROGRAM DESCRIPTION

STUDY PROGRAM

The study portion of the program includes 20 hours per week of Group French classes with a 2 week minimum. Maximum number of students per class is 5, with the average being 2 students. Groups are organized in a way that each will always consist of students possessing the same level of French.

All of our teachers are native speakers with university educations and are experienced teaching French to foreigners. Most have learned a second language themselves and understand the student's perspective.

The method is based on the 4 language skills: listening, grammar, oral and written comprehension. No English will be used in class. Classes are 45 minutes in length.

Our program is divided into 6 levels of study. The first 4 are concentrated on grammar, vocabulary, practical situations, and conversation. The next 2 levels, advanced and superior, focus mainly on conversation and advanced reading and writing topics.
