## SCUOLA LINGUA ITALIANA – ROME, ITALY

### ABOUT THE SCHOOL AND THE CITY

Scuola Lingua Italiana has been in operation since 1984 offering Italian language courses for students coming from all over the world. Centrally located the school occupies a four-story building with its own terrace and garden, a few minutes walk from the Colosseum and the Basilica of San Giovanni. The school is easily reached from all parts of the city by public transportation.

Courses run all year round and are led by highly qualified teachers specialized in teaching Italian as a foreign language. The school has developed dynamic teaching materials and stimulating texts which incorporate the personal interests of the students as well as diverse aspects of Italian life.

**Rome** is a city offering infinite possibilities for enjoying its beauty, history and lifestyle. Side by side with the Rome of the ancient times is a modern and lively metropolis with a vast range of sights and entertainment to delight its visitors. The mild climate makes it possible to visit and enjoy Rome at any time of the year.

### ABOUT THE PROGRAM

The methodology used to teach the Italian Language is based on communication and immersion. Students actively exercise the four fundamental functions of the language: listening, speaking, reading and writing. Particular attention, however, is given to conversation. The focus on communication is used to develop the student's ability to express themselves and communicate in Italian. The focus is to even enable beginners to start using the language from the very beginning of the course.

**Intensive Course** 20 hours per week. This course includes 4 hours of lessons a day. According to their level, participants can acquire a basic knowledge of Italian or deepen and perfect the knowledge they already have.

**Super Intensive "A" Course** 25 hrs/week-20 hrs Group + 5 hrs Tutor. This course includes four hours of group lessons plus one hour of individual lessons daily. The individual lesson offers the chance to personalize the material and the program of the rest of the course.

**Super Intensive "B" Course** 30 hrs/week-20 hrs Group + 10 hrs Tutor. This course includes four hours of group lessons plus 2 hours of individual lessons daily. It has the same structure as the Super Intensive "A" but the two hours of individual lessons allow students to reach specific learning goals more quickly.

**Senior Course** 50+, 2 Weeks. Two weeks. Vacation/study for participants of the age of 50 and up, and for all levels from beginning to advanced. This course is conducted in small, same-level groups in a friendly and relaxed atmosphere. The groups are international, making it possible to meet people from all over the world who want to combine study with an interesting vacation in.
